Student Name: \_\_\_\_\_

Activity 2: Understanding Changes the Moravians Brought to Their Community
Most of the Moravians who came to Salem were from Germany or had parents who came from Germany. Moravians valued education, religion and missionary work. Moravians lived in groups according to their age, whether they were male or female, and whether they were married or single These characteristics influenced the places they lived.
Read the statements and examine the illustrations below. Decide whether or not they represent <b>a change</b> Moravians made to their community.
1. Schools were built for both boys and girls.
Is this a change Moravians made to their community?
How do you know?
2. English was the only language spoken.
Is this a change Moravians made to their community?
How do you know?
3. Children lived with their parents until they were married.
Is this a change Moravians made to their community?
How do you know?
4. Easter was an important holiday celebrated with a sunrise service.
Is this a change Moravians made to their community?
How do you know?
